SANKYO FLUTES

ALLOW SANKYO TO PERSONALIZE YOUR FLUTE.

BE CREATIVE AND DESIGN YOUR VERY OWN LIP PLATE.

WE ARE THE VERY FIRST TO OFFERS THIS UNIQUE TECHNOLOGY GOLD ENGRAVING ON SOLID SILVER.

CF201 + Ag

Sankyo Flutes is happy to announce a new model, the CF201 + AG. Built with thinner ribs, posts and rings, the flute is better suited for the beginner and intermediate player, as it is lighter and priced below the CF301. With a sterling silver head joint and body, you will find the characteristics and color that has defined the Sankyo sound for the past 40 years.
